

SOUTHCHESTER (RF) LIMITED

Fact sheet: 29 November 2024

Investment Offering

Southchester (RF) Limited issues debentures via an insolvency-remote special purpose institution which invests into a portfolio of high quality, liquid and rated fixed income instruments. Southchester funds itself by issuing senior secured commercial paper to investors who are provided with daily disclosure of the portfolio's credit exposure.

Yield and Credit Objectives

Southchester aims to earn maximum overnight / term interest rates for its investors, whilst complying with stringent term and stable investment credit criteria. A robust risk mandate dictates a suitably diversified portfolio of instruments of investment-grade rated credit quality with low interest rate duration and low sensitivity to spread risk.

DISCLAIMER

The information made available in this fact sheet is product related and is not intended to address the circumstances of any particular investor. Investors hold senior secured commercial paper in the Issuer according to the terms and conditions as set out in the Commercial Paper Memorandum (available on request). Different classes of commercial paper are issued and are subject to different fees and charges. The Issuer is a special purpose institution regulated in terms of the Banks Act 94 of 1990 pursuant to the designation of activities not falling within the meaning of "the Business of a Bank" (Commercial Paper) as set out in Government Gazette 2172 of 14 December 1994. Past performance is not necessarily an indication of future performance. Performance numbers in this fact sheet are calculated for a lump sum investment in Class 1 notes including income distributions.
